# WELCOME TO BEAULIEU

Beaulieu is best known as the home of the National Motor Museum which contains over 285 historic and modern vehicles, but we have much else to interest and entertain our guests. First of these is the Montagu family home, Palace House, in which the history of the estate is told, going back to 1538. For those who haven't visited more recently, there are additional rooms to see including my late father's library, and the Victorian Kitchen. Stepping further back in time, you can explore the ruins of Beaulieu Abbey and learn more about the Royal foundation in our Abbey exhibition. But that's not all, there are the gardens to explore or view from the Monorail and an exhibition of Beaulieu's role in training secret agents during WWII. It's a complete day out which I hope you'll enjoy.

# BUCKLER'S HARD

Group Visit Guide 2025

*Where time flows  
differently*

**HISTORIC RIVERSIDE VILLAGE**

[bucklershard.co.uk/groups](http://bucklershard.co.uk/groups)  
New Forest | Hampshire

## Welcome to Buckler's Hard

Buckler's Hard is a village on the banks of the Beaulieu River, midway between Beaulieu and the Solent. It was originally planned as a sugar port in the 1720s but actually flourished as a naval shipbuilding centre, providing ships for Nelson's victory at Trafalgar. After 100 years as a shipyard, the village became a sleepy backwater until its charms were discovered by Edwardian tourists. Despite the interruption of two World Wars, in which the river played its part, tourism gave Buckler's Hard a new lease of life. Today, the Museum along with historic cottage displays tell the history of the village from its earliest days to the present time. I hope you enjoy your visit here.

*Montagu of Beaulieu*

## The Village

Take time to amble down the high street and watch the boats sailing by on the Beaulieu River, one of the few privately owned estuaries in the world. Relax by the banks of the river which has been carefully conserved for over four centuries and is rich with wildlife and take a stroll past the orchard, where apple trees are in full blossom in the spring. The fruit is picked each autumn and used with apples from other orchards on the Beaulieu Estate to make Beaulieu Apple Juice.

If you're keen to learn more about the heritage of Buckler's Hard, you can discover the history of the village in the Museum and Visitor Centre or catch a river cruise (Easter - October) along the Beaulieu River.
